

English

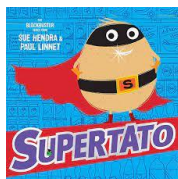

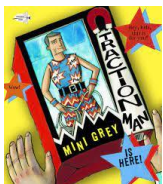

Reading:

We will develop our reading skills through Read Write Inc. We will be continuing to develop our understanding and application of phonics.

Writing:

In writing, we will be practising writing simple sentences using finger spaces, phonics for spelling, capital letters and full stops. We will be looking in depth at *Supertato* and *Traction Man*. These texts will inspire a variety of different written outcomes including descriptions, recounts and letters.

In handwriting we will learn pre-cursive letter formation in preparation for our joined-up handwriting.

Year One

Autumn Term 2023

Terrific Toys

History

In history, we will be investigating toys.

We will compare our toys to those played with 100 years ago and consider why changes have occurred. Through doing this, we will develop our historical language. We will have cross curricular links with English, Art and DT.

Music

In music, we will:

Use our voice in different ways
Perform the rhythm of songs
Begin to show pitch with hand movements
Explore percussion instruments

Science

In science, we will explore materials. We will name and identify the material of which everyday objects are made from and then consider their physical properties.

Computing

This term, we will learn to log onto the Chrome Books to access Purple Mash to practise key skills. We will be focusing on E-Safety and logging into the learning platform, as well as grouping and sorting.

Religious Education

This term, the children will be investigating Christianity and the environment and the Nativity story.

Maths

Number: We will develop our knowledge of place value within 10 and then 20. We will sort and group objects and learn to count, read and write numbers forwards and backwards to 10 and then 20. We will learn to use the vocabulary greater than, less than and equal to.

While developing our ability to add and subtract we will look at fact families and number bonds to 10.

Geometry: While exploring shape, we will learn to recognise, name and sort 3D and 2D shapes.

Art / Design and technology

As artists, we will be developing and exploring our drawing and colour mixing skills. We will create self-portraits, firework art, superhero designs and Christmas decorations.

Physical Education – GetSet4PE

This term we are focusing on dance and yoga for fitness.

PSHE Jigsaw scheme:

As a new class in Year 1, we will be creating and agreeing our classroom rules. This term in PSHE we are focusing on being me in my world and celebrating differences. Through 'Circle time' we will discuss the importance of being kind to others.
