

Mathematics

We will cover all the National Curriculum objectives for:

- Number and place value
- Addition and subtraction
- Multiplication and Division
- Fractions

Within all units, we will challenge ourselves to solve open ended investigations using our reasoning and problem solving

Year 6

Evolution/The Tudors

Autumn 2023

English:

- As readers, we will develop our comprehension skills using a variety of techniques and applying them to our writing. We will be reading Darwin's Dragons.
- Throughout the term, we will develop our spelling and vocabulary through focused practice.
- Most of our writing will link to our class texts.

As writers we will learn to:

- Write in role using emotive language.
- Write descriptively using figurative language.
- Write engaging newspaper articles which are informative and using formal language.
- Write detailed narratives, integrating action, dialogue and description

History: The Tudors

Our over-riding theme for this term is our historical study on The Tudors. We will be using primary and secondary sources to learn more about Henry VIII's choices and how they affected Britain.

Art:

This term, we will be creating dragon eyes using drawing techniques, making different textures and using clay.

Design and Technology:

We will design and create a wooden model

Religious Education:

We will explore the question 'What lessons does Judaism teach about morals and behaviour?' in the first half of the Autumn term. After half term, we will consider the key question 'What does it mean to belong?' in the contexts of different religions and beliefs.

Computing:

We will follow the Purple Mash scheme of work, focusing on coding, online safety and spreadsheets.

PSHE:

This term, we will be following the first puzzle piece of the Jigsaw scheme of work. We will be looking at 'Being me in my world' and 'Celebrating differences'.

Science:

As scientists, we will explore evolution and inheritance and learn about Darwin's theory of natural selection. We will explore his theories through our investigative work. After half term, we will be thinking about living things and their habitats.

PE:

- Netball
- Dance
- Gymnastics
- Fitness

French

This term, we will be continuing our learning from Year 5. We will be building sentences with nouns, verbs and adjectives.
