(Please click here to refer to the school website for our full Academic Term dates)

Cycle to School Week - Monday 25th September to Friday 9th September

Would you like a chance to win a brand new, children's Frog cycle bike?

Well, if you sign up for the 'Cycle to School Week' and make a pledge you could. In support of this year's Cycle to School Week, the Bikeability Trust have teamed up with Sustrans to offer this competition.

All you need to do is sign up at www.bikeability.org.uk/cycletoschoolweek and make a Pledge.

A pledge can be something as easy as: -

- Pledge to Swap one car journey for cycling.
- Cycle to school every day.
- Discover somewhere new on my cycle.

Go on a cycle ride with my family.

Why not make a pledge and enjoy the last of the September sunshine - get cycling to school this week!

As this is Cycle week, please can we remind you of the importance of wearing a cycle helmet!

Year 4

Year 4 are investigating the effect of our diet on our teeth in science. The egg shells are similar to the enamel on our teeth, and we have covered them in different liquids to observe what might happen.

Year 5

The class was given the challenge of putting up the tent with no instructions! Great working together and they achieved it!

Year 3

Year 3 enjoying the rainy weather!

Early Years Foundation Stage

The children in Reception enjoyed their first PE lesson in the hall this week. They were very excited to be wearing their PE kit and worked really hard on learning balancing skills as well as having lots of fun!

Google Classroom

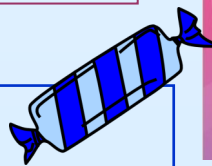

A reminder for parents to sign up for Google Classroom. There is lots of nice pictures and important updates.

With the weather now changing, please can you ensure that children bring warm or water-proof jackets/coats to school.

Birthday Sweets

Whilst these are not encouraged, if your child is giving out birthday sweets, please can this be taken away from the class door when the children are being dismissed.
