welcome

Our new children in Reception have joined us in Robins and in Doves!

It has been wonderful to welcome them into school and they are settling in brilliantly; getting to know us and each other and having lots of fun playing. We are looking forward to lots more fun and learning in Reception!

We would also like to welcome all our new families that have joined us in other year groups this term!

MEET THE TEACHER

Thank you to everyone who came to the Meet the Teacher sessions.

If you were unable to attend we have uploaded the presentations to google classrooms for you to view.

The Year 6 Playground Friends have got off to a great start and are eagerly playing with and supporting the younger children during their playtimes. It has been lovely seeing their creativity, independence and collaboration skills being used so effectively.

Thank you to the Year 5 and 6 children who attended football trials this week. We are so proud of the commitment, bravery, skill but most importantly, the sportsmanship that you showed. We had around 50 children attend which shows the passion for football here at The Hawthorns. Congratulations to those children who have made the team but a huge well done also to all those that put themselves forward.

This is a reminder about our year group email addresses; these email addresses can be accessed by all the teachers belonging to that year group.

- The emails are not monitored during school hours. Teachers will endeavour to respond within 48 hours.

WOW look at this pumpkin that the gardening club grew from seed!

If your child/children have pierced ears, for safety during PE lessons, please can you ensure they are provided with microporous tape to cover the earrings or that they are removed on PE days.

REMINDERS

We would like to kindly ask you to keep all children off the play equipment in the front playground before and after school. We appreciate this is very tempting for the children but they get plenty of supervised play during break and lunchtimes. Thank you for your cooperation.

Please ensure that children are in school every day and on time.

Try to make any medical appointments outside of school hours, but where this is not possible, PLEASE email or phone the office, even if you have informed the teacher. **We require to see the email, message, appointment card for the medical appointment in order to be able to authorise the absence.** Thank you

Please can we remind all parents and carers that we are a NUT FREE SCHOOL. We would be grateful if you could avoid placing any nut products in packed lunches.
